Summer Program 2010

Our Summer Program will run 10 weeks this year. A summer calendar along with Summer Tips and a Shopping List is attached. Please read all of the information carefully to help you plan your child's summer activities.

In order to finalize plans for our Summer Program, we ask that you complete and return the attached calendar. Please use these Instructions for completing your child's summer calendar:

- 1. Review** the attached field trip calendar for your child's class.
- 2. Circle** the trips your child will attend.
or. . .
Cross out the trips your child cannot attend. Clearly note **Vacation Days** on your child's calendar. This will serve as a "Vacation Notice" so you will receive tuition credit in accordance with our Vacation Policy.
- 3. Parents are always welcome as chaperones to share in our field trips.** However, as transportation costs continue to rise and entrance fees can add up, we ask that parents "sign-up" for the field trips you would like to attend. Either add your name to your child's calendar or let the teacher know that you will be chaperoning a trip. Please include the field trip fee for yourself when you sign-up. This will confirm your spot on the field trip. Occasionally, we may need to limit the number of people we can send on a trip depending on transportation or entrance tickets.
- 4. Calculate** the total cost for the field trips your child will be attending.
Write out a separate check for field trips, payable to **Grandma's House**. Please do not include summer field trip money on your tuition check.
- 5. Copy** the calendar for your records.
- 6. Sign and Return** the calendar and full payment for field trips by **Friday, June 4th**.

Please note:

- ⇒ **All children participating in the summer program must return a summer calendar.**
- ⇒ **No refunds will be given for summer field trips.**
- ⇒ **If you have any questions, please feel free to call.**
- ⇒ **In case of rainy weather, we will schedule an alternate trip in its place or try to reschedule the trips.**
