Transportation

School Year 2010-2011

Plan Ahead!

Grandma's House would like to start making plans for its transportation program for next school year (2010-2011).

Grandma's House Tosa Center offers transportation to McKinley, Eisenhower, Underwood, Our Redeemer, Tonawanda, and St. Jude's.

The Highland Center currently offers transportation to Washington, Jefferson, Roosevelt, Lincoln, Hawley, and Neeskara.

The Lake Country Center offers transportation to Hartland South, Hartland North, Richmond and Pewaukee Elementary schools.

We will offer transportation to schools only if there are three or more full-time students requiring transportation.

To help us plan ahead and provide parents with transportation information, we have developed a preliminary questionnaire. Please take a few moments to complete the survey and return it to the director or your child's teacher by **Friday, April 16, 2010**.
