

Dear Families,

Thank you for completing our annual NAEYC Family Survey. Congratulations to the Huber family who won the raffle prize of a free day of child care! Survey results were again, very positive. This equates to a pass rate ranking of “Commendable” compared to other programs on the Family survey which is the highest available.

There were just a couple questions where a handful of families answered, “Don’t Know” and we assume some of those are attributed to newer families who haven’t cycled through a full year at the center. The first area is “when program evaluations are completed, I receive information about the findings”. This write up is that information. The results are emailed to you at the address you provided and posted on center entrances as well.

The other area is “inviting families to participate by helping to plan events, being involved in decisions and taking on leadership roles.” Here are ways we’ve invited parental involvement just this past year: field trip chaperones, assembling layettes for the Hebron House, entering codes for our milk cap program (“Our Caps Your Cause”) on-line from home, making holiday tags for our holiday Giving Wreath and taking charity ideas for fundraiser nights. You will find these invitations in Jane’s section of the month newsletter you receive.

The survey feedback is valuable to us and helps us reflect on our current practices to make improvements. We appreciate your participation and look forward to continued partnership in caring for, and teaching, your children.

Thanks again for your input!

Jane Sweet
